Girls U17 6 Month Pilot Program 2011-2012 Information Guide

Program

FC Alliance is pleased to announce a pilot program especially for U17 Girls. This program was created to match high school girls' unique schedule needs, while preserving the opportunity to play soccer at the premier level in the Regional Club League.

Tryouts

Our teams are formed through a player tryout process. The tryout fee is \$20.00 [online](http://bit.ly/qClvnV) at <http://bit.ly/qClvnV> or on-site. All players must register for tryouts even if they can't make the scheduled sessions and must make alternate arrangements. **Be sure to check our website for venue, date or time changes before attending any tryout session.**

Field Locations

Our teams enjoy first-rate facilities. Players practice and play on fields owned by the Northshore School District, and the Cities of Bothell and Woodinville. Few other clubs have access to the quality of fields FC Alliance enjoys.

Practice Schedules

Soon after team formation, teams will be assigned a Mon-Wed or Tues-Thurs practice schedule. Practice locations and times may change through the year. FC Alliance holds supplemental training programs through-out the year. Program participants are eligible for these programs.

Player Costs

Club Fees are set via a yearly budget process, and cover the many expenses required in providing a premier soccer program including player registration, insurance, field rentals for practices and games, referee fees, equipment purchases, and coaching.

Girls 6 Month Season

Pre-Season 2011: June – August
Off-Season: September - December (many players participate in High-School soccer)
Spring League (RCL) 2012: January - March
State Cup 2012: not included

Pre-season Tournaments

Teams participate in three or more summer tournaments around Western Washington, and/or out-of-state for older teams. Tournaments are a great opportunity for the players and families to bond, have fun, and create great memories of their competitive soccer days. They are also an important tool in gauging the team's developmental benchmarks and preparing for league play.

State Cup Tournaments

These teams will not participate in the State Cup Tournament.
