

SELECT SOCCER CLUB

Film and Photo Release

Occasionally, FC Alliance or team volunteers will take photographs and/or videotapes during games, practices and events. Photos and videos are used for many different purposes including newspaper articles, video presentations, promotional materials, and team or club websites. We need your signature on file to give your permission to use photos/videos of your child for these purposes. *If you do not sign, then no photo(s) or video(s) of your son or daughter will appear in any of our publications. This release must be returned by all team parents to be allowed a free team website on fcalliance.com.*

I grant FC Alliance the right to use my player's picture, and/or likeness in print and other media provided such use is related to my player's status as a participant in an NYSA program.

Player Name _____ Date _____

Team _____ Uniform # _____

Parent/guardian name: _____

Parent/guardian signature: _____
