

## What Happens After Tryouts?

Following the final tryout session for your age group, the coaches will meet with the coaching director staff and a member of the FCA Executive Committee to form the teams. The top 16 players will go to the “A” team, the next 16 players to the “B” team and so forth. (U10 and U11 teams will have a roster of 12-14 players on each team.)

The coach of the “A” team will then start calling the players to offer them a spot on the team. Once the “A” team is complete, the “B” team coach will start calling. While our goal is to have everyone notified within 72 hours this depends on the coach’s ability to reach players and player commitment. You can help the process by sticking close to the phone, at home or your cell phone, following the final session.

You should also give thought in advance to the various offers your player might receive, so you can give the coaches an answer right away. Waiting for families to “think it over” keeps other players waiting unnecessarily; know what your answer will be before the phone rings.

All players who try out will receive a phone call, regardless of whether they have been selected for a team. If you have not heard from FCA by five days after the final session, please contact:

U10 – U12	Liz Sheller, FCA U11/U12 Coordinator	425-245-3086
U13 – U18	Jim Neir, FCA VP of Competition	206-478-3173

Once you have received a phone call from the FCA coach and have accepted a position on the team, go to [www.FCAlliance.com](http://www.FCAlliance.com) and complete player registration by clicking on Registration in the left hand column. Registration will open the day after tryouts have been completed. Next, the team will get together for a Team Organization Meeting. Teams will meet to turn in Player Registration / Medical Release Forms, order uniforms, make payments to the team account (to cover tournament fees, league fees, etc) and talk about the upcoming year. Coaches or Managers will let you know when and where the meeting will be held.

Each player must have a parent or guardian attend the team meeting. Each team is assigned a Mentor (a member of the FCA Executive Committee) to assist the team during formation.
